Jersey Boys "Easily the best musical ever"

Based on the story of Frankie Valli and the Four Seasons

Wednesday, March 13th, 2019

They were just four guys from Jersey, until they sang their very first note. They had a sound nobody had ever heard… and the radio just couldn't get enough of. But while their harmonies were perfect on stage, off stage it was a very different story - a story that has made them an international sensation all over again.
