Escape from the stress of a fast-paced life and linger in Pennsylvania Dutch Country, where there's no fast lane. Lancaster County has more than 2,500 miles of winding country roads connecting small towns and villages with their inviting main streets and charming boutiques and galleries. Loose yourself along these back roads as you're transported to another time, among breathtakingly scenic farmlands, romantic covered bridges and Amish life. The factory town of Hershey, Pennsylvania has become a major tourist destination. Standing on the corner of Chocolate and Cocoa Avenue, with the wonderful aroma of Hershey's chocolate filling the air, visitors find it easy to understand why Hershey is known as "the sweetest place on earth". Join us as well on some great shopping at the Tanger outlets, Rockvale square outlets & Park City Center Mall. The highlight of this bus tour will be the theatre presentation of "Jesus" at Sight & Sound Theatre. Let this tour become one of your memorable ones with your family and friends.
